

"...I woke up in hospital this morning, with three bullet wounds in my back having been dragged out of the Thames. I do not remember how I got there, who shot me, or why. Doctors tell me I am suffering from an unusual amnesia caused by the trauma. The ID tag on me says my name is Jason Torn. I need your help to put back together the torn tatters of my memory.."

THE — TORN — IDENTITY

Get ready to experience the thrills and spills of a spy adventure with a difference. Inspired by the famous Bourne film trilogy, your classified mission is to help our hero, Jason Torn, understand his under-cover role in the high-profile robbery that nearly ended in his assassination. As teams, you will complete a series of cunning tasks. From radio control tank driving to spotting the odd one out in a unique identity parade, re-wiring the Enig-Machine to thwarting a terrorist plot using social media, this is the Spy Game that has it all. As you are hurled, headlong towards the gripping finale, everyone will be wondering if their team will put the pieces back together fastest to crack the case? **The Torn Identity can also be upgraded to include additional activities such as hovercraft driving and high speed powerboats!**
